
This Community Resource Directory is designed for folks living in the greater Oxford area and surrounding townships. It focuses on the information, programs and services that support older adults and their families. This directory was compiled through a collaboration of Oxford VillAGE Network volunteers, Oxford Seniors, Inc., and Miami University student interns using the 2010 SAGE community resource directory as a starting point.

Community resources include but are not limited to, public service institutions and charitable organizations that provide assistance and services to local residents. The range of services touches the lives of everyone who lives in a community. Some services impact large parts of the population, such as those provided by public libraries, churches and the post office. Community services can also target a small segment of the population, such as senior citizens and their families.

The Oxford Village Network (OVN) does not endorse or recommend programs, businesses or services and the inclusion of such in this directory cannot be construed as an endorsement or recommendation. As services, businesses and programs change throughout Oxford and Butler County, OVN continuously works to keep this resource up-to-date and current.

If there are any updates/additions/deletions that you notice please email:

oxfordvillagenetwork@gmail.com.

Oxford VillAGE Network (OVN), creator of this directory, is a community volunteer network advocating for needs of older adults who are Aging-In-Place in the wider Oxford, OH area. For more information, e-mail oxfordvillagenetwork@gmail.com and ask to be added to the Oxford VillAGE Network listserve. Oxford VillAGE Network is not political, does solicit or advertise, and will not share your contact information.

Medicare
Overview: Medicare is the federal health insurance program for people who are 65 or older, certain younger people with disabilities, and people with End-Stage Renal Disease (permanent kidney failure requiring dialysis or a transplant, sometimes called ESRD). There are four parts to Medicare. Each Part helps cover specific services.

Medicare Part A (Hospital Insurance) covers inpatient hospital stays, care in a skilled nursing facility, hospice care, and some home health care.

Medicare Part B (Medical Insurance) covers certain doctors' services, outpatient care, medical supplies, and preventive services.

Medicare Part C (Medicare Advantage) is offered by a private company that contracts with Medicare to provide you with Part A and Part B benefits. Medicare Advantage Plans include Health Maintenance Organizations, Preferred Provider Organizations, Private Fee-for-Service Plans, Special Needs Plans, and Medicare Medical Savings Account Plans. If you’re enrolled in a Medicare Advantage Plan, most Medicare services are covered through the plan and aren’t paid for under Original Medicare. Most Medicare Advantage Plans offer prescription drug coverage.

Medicare Part D (prescription drug coverage) adds prescription drug coverage to Original Medicare, some Medicare Cost Plans, some Medicare Private-Fee-for-Service Plans, and Medicare Medical Savings Account Plans. These plans are offered by insurance companies and other private companies approved by Medicare. Medicare Advantage Plans may also offer prescription drug coverage that follows the same rules as Medicare Prescription Drug Plans.

Nursing Homes

The Ohio Department of Aging (ODA) provides information to consumers about long-term care options including nursing homes. The information provided below is taken from the ltc.ohio.gov website.

Nursing homes primarily serve consumers needing more medical services than those available through home care, assisted living and other options. Nursing homes do not necessarily mean long term care; more than half of all nursing home stays are for three months or less. Increasingly, nursing homes are used to complement and supplement other care options including assisted living, hospital and home care, particularly for short-term rehabilitation. The Ohio Department of Health licenses and/or certifies nursing homes and conducts on-site inspections for compliance with state and federal rules and regulations.

To determine if a nursing home is a good option for you, contact your Area Agency on Aging* and request a free assessment.

*In Butler County, our Area Agency on Aging is:

Regional Campuses—Middletown, Hamilton, Voice of America Learning Center

Parked regulations are in effect from 8:00 am to 5:00 pm, Monday to Friday. For example, if you are a visitor and attend an evening lecture or concert, you can park in any campus parking lot area; however, to park in a handicap spot you must have the required placard or license plate designation.

Where to Park
Miami's regional campuses have a limited number of metered parking spots designated for visitors.

- **Hamilton Campus**
  Visitor parking spots are located on the west side of Rentschler Hall and in the parking lot opposite, on the east side of University Boulevard.

- **Middletown Campus**
  Metered visitor parking spots are located in the south parking lot (in front of Johnston Hall) and in front of Gardner-Harvey Library.

- **Voice of America Learning Center**
  At the Voice of America Learning Center all parking spots are available to visitors, students and faculty and staff members alike; however, to park in a handicap spot you must have the required placard or license plate designation.
